Conscious Discipline Skill for the Next Week: Positive Intent
Conscious Discipline is for Kids and Adults
A new skill will be introduced every two to three weeks.

Seeing with positive intent means that we assume the other person either does not know how to behave in a certain situation or is having a difficult time handling a situation. Assuming either of these allows us to reach out and be helpful. When we assume positive intent, everyone wins. Positive intent integrates the brain and produces oxytocin. Oxytocin is a hormone in the brain involved in emotional bonding. It affects generosity, increases empathy and develops trust between people.

You can learn more about Conscious Discipline and Positive Intent at <http://consciousdiscipline.com/>

New Principal Interviews are Next Tuesday

The APC will interview principal candidates in our library on Tuesday, February 28 from 4 PM until 8 PM. The interviews are open to all staff, parents, students and community members. If you attend the interviews you will have the opportunity to provide written comments.

Lottery Deadline is this Friday

This Friday is the last chance to apply for our lottery. If you know families with elementary school aged children you may want to encourage them to apply.

Spelling Bee Winners!

Congrats to all of our spelling participants. The top five spellers were: Levi Mickelson, first place; Cooper Collier, second place; Ashlee Fann, third place; Maddy Triana, fourth place; Jake Edmonds, fifth place. Levi Mickelson will be representing our school at the State Spelling Bee in Anchorage in March.

School Carnival on Friday, February 24 after School

Our intermediate students will be hosting an after-school carnival on Friday, February 24 from 3:30 until 5 PM. Carnival funds will be donated to Renee Powell.
